Pease===== "The only variable as salient and consistent as the CIA's presence in the contexts in which Oswald appeared is the Agency's alleged disinterest in monitoring him -- as a defector who might be returning to the United States as a Soviet spy, or as a pro-Castro activist who might be trying to infiltrate the AGENCY's anti-Castro network. The best explanation for all this is that the "dirty rumor" is true: Lee Harvey Oswald was a U.S. intelligence agent." --From Dr. Philip Melanson's book SPY SAGACheck out the Real History Archives: <http://www.webcom.com/lpease>Citizens for Truth about the Kennedy Assassination: <http://www.webcom.com/ctka>
