Subject: Florida Johns Committee and ARRB

To all:I would appreciate it if you would call the Assassinations Records Review Boardand tell them to review the Florida Legislative Investigation Committee (aka---Florida Johns Committee) files for the purpose of inclusion into recordspertaining to the JFK Records Collection Act. Several months ago I sent a copy of the index to the Florida Johns Committeefiles to the review board along with a sampling of unredacted documentsconcerning the Fair Play for Cuba Committee and the National States RightsParty. There are fairly extensive files on the Ku Klux Klan in this Floridacollection. Also contained in these files are the articles of incorporation forother important organizations such as the Cuban Revolutionary Council and theCuban Student Directorate. I am sending a copy of this message to Eileen Sullivan of the ARRB so that itcan be forwarded to those pertinent individuals such as Tom Somoluk and JeremyGunn and the five review board members. I urge the people in this message to write the review board for the inclusion ofsome of the above mentioned pertinent files (with redactions removed) in the JFKact, along with other files I didn't mention. If the review board or therecipients have any other questions please don't fail to contact me. Regards: Frank DeBenedictis PO Box 15818 Plantation, Florida 33318-5818 Phone: 1-954-792-4223
