**Subject:** Re: Florida Johns Committee and ARRB  
Frank,Why don't you give up on this?>>>I am sending a copy of this message to Eileen Sullivan of the ARRB so  
that itcan be forwarded to those pertinent individuals such as Tom Somoluk and JeremyGunn and the five  
review board members. <<<Tom is no longer there. He received a long list of things from me and  
neverfollowed up except on the Milteer tape. The ARRB investigator who was here lastSpring and met with  
me, got a list of places to find records but when Tom lookedin her notes, she had very little and followed up  
on nothing. Fonzi called me today for more information because the ARRB wants him to tellthem where the  
records are in Miami. I told him I gave the information to theARRB twice already. He's taking the list up with  
him again on Sunday.I suggest you write him an e-mail with the Johns Committee request. I'mfinished with  
those people.Gordon
