**Subject:** several items

Hi there. Hope you're enjoying the peace and quiet on the Cape. I just wanted to bring you up to speed on a few things we spoke about on Friday.1. I left another message with Dorman on Friday to see if his story ran. (I had also left a few messages with Mary DiMeglio at the tear sheet desk who has been helpful before. She has not gotten back to me either.)2. In the event you do not have it, Steve Tyler's number is (504) 288-0432.3. I found the copy of the LA hearing provided by Diana Lee of KCET. I had overlooked it because there are several other items on that tape. I plan to take a look at it today.4. Anniversary possibilities: I checked with Phil-- nothing much happening with FBI documents. Jeremy informed me that certain military records will be available very soon by consent (Oswald's service records, 112th and 316th intelligence units.) They will at least get their own advisory.Hopefully the Powers film will work out.5. You should receive the modem by FedEx today. Chet asked that I sign my name at the bottom of the slip, which allows the delivery person to leave it without obtaining your signature in the event that you are not home.I think that's it for now. Hope all is well, and maybe we'll see you next week!
