**Subject:** CBS/48 Hours/TLC

Welcome back, David!! I received a call from a producer at CBS the other day. The Learning Channel will be running older episodes of '48 Hours'. With each episode they would like to give a brief update about the topics presented in that episode. In February of 1992 the Act was mentioned on the show and they would like to give an update (when that episode runs again) about what has happened since then (Dan Rather will be doing the voice-over.) I plan on sending to the producer our fact sheet, and some news clips of interest (Veazey tape, LA hearing, etc.) Any thoughts/comments/additions? thanks.
