Alpha-66 Meeting & Book Fair

Two fun weekends coming up here in Miami. Starting Friday Nov 15th will be the annual Book Fair. This event runs through the end of the following week. The two biggest days are Sat and Sun. At this annual event tents are rented by most major publishing houses and book distributors in the Miami and Caribbean basin as well as many Cuban organizations and antiquarian book dealers. Most every dealer has books pertaining to Cuba and Cubans, new and used. Juan Salvat usually has three tents and sells most of his out of print books (new) for \$1-\$3. There are lots of free items passed out by Cuban organizations. If anyone wants me to look for a certain book (mostly in Spanish), let me know and I'll pick it up for you.

\*\*\*\*\*The following weekend, the 22nd through the 24th Alpha-66 is holding their annual Global Conference. Anyone can attend. On Friday 22 Nov there is a free dinner at the Travel Lodge at NW 12th Avenue and 10th Street (easy on-off of the 836 expressway). Saturday the dinner is \$15 and Sunday there is a roast pig lunch (free probably or by donation) at the Alpha-66 training camp. A live fire demonstration by commandos will take place at this event. For details and reservations call Eva at 305 541-5433. I'm not sure if she speaks English but she will probably get someone who does. Have fun. These Alpha-66 meetings are usually very entertaining.
