**Body:** I received your envelope today that contained the two (great) letters to Powers and Boul, and the clip from Middlesex News. Thank you. I have passed copies of the letters on to David. David spoke on the phone with a reporter (Brian Boyd) from the Arlington Advocate about the Powers film. David also referred the reporter to Trask. Boyd's deadline is tomorrow (Wed.) morning, so I will check with him to get a copy of the article. On a personal note, I became an aunt for the first time yesterday, and will see my little niece in NY during the holidays. Hope all is going well in Boston (and I hope you received the FedEx today.)
