Subject: Newhouse News Service
Newhouse News Service is essentially a newspaper wire service serving its 26 Newhouse-owned newspapers and 12 other subscribers. They also sell individual stories through the Universal Press Syndicate. All of the newspapers are based in major U.S. cities. They have about a dozen national reporters plus a variety of regional reporters who act as Washington correspondents for individual newspapers. Rob Hoderne is the National Editor and John Membrino is chief of the news desk. They are not on our press list, but will be added. John told me they would like to be added to our press list, but preferred to receive releases via mail. The address is: Rob Hoderne National Editor Newhouse News Service 1101 Connecticut Ave., NW Suite 300 Washington, DC 20036 Respectfully, Thom
