**Subject:** HSCA docs. to Archives

**Body:** I counted 1,340 consent release documents. Do you know off-hand if there is anything of note in these docs?  
I will check past advisories for anything noteworthy in these documents (if that information was in fact documented--being consent releases it probably was NOT.) Any input you may have would be appreciated. We can work out a time/day to transfer these docs. to the Archives (early next week perhaps.)
