Subject: Re: Fwd: The Shackley/Clines/Wilson connection

Dear Ed:I received your letter and FBI document. Thanks a lot, I think I saw thatdocument before, but never obtained a copy. I will probable use it.Question to all: Is Barbara Bush, Bill Clinton's Ambassador at Large andfor which country?I have obtained many articles on Clinton's intention of working with theSoquel arms embezzler of last year whom he had in the White House for tea.There may be something to it that the Jack Jacobson bombing was related.Clinton's guest at the White House was arrested with explosives in May of1996. San Francisco Chronicle May 23 or San Jose Mercury News are goodsources. Clinton said then "we will work with the [Communist] Governmentto get to the bottom of this." Then he later has the bombing armsebbezzler as a guest shortly before X-Mas. FBI did not want to take areport from me. When it was published that he had this guest a few dayslater Jacobson received the bomb. Was it true that Bill Clinton said thatthe Oklahoma did more for his campaign then anything else?I am interested in knowing when the Ron brown plane went down, does anyone know?That's all for nowBruce C. Adamson
