Dear MARTin:I tried to post a star.jfk bullentin. I think I had two that were o.k. I am not sure though. One of the messages has frozen up. I went to fieldsand selected cc to all fields.We will see.A piece of information is that on cia.covert.news, I think that is theproper news group I saw an article by J. Orlin Grabbe. This is a famousWhite Russian name and the article written by Grabbe, he claims to be a CIAagent, if I got it right. Well the Grabbes are very close to the Cassinisand Mohrenschildt's. His web-page address iswww.aci.net/kalliste and hisemail address is kalliste@aci.net.Could someone ask him if he is related to the famous Paul Grabbe who wasthe personal adviser to the Czar before the Russian Revolution? Hisparents know who I am and pretended not to know that their relatives wererelated to the Cassinis.In the mean time I will check out the web-page.Bruce C. Adamson
