To WHom It May Concern:I have reviewed Mr. O. Grabbe's resume and it would appear that he couldnot have been CIA, for he is very outspoke against everything and even anextra in the movie Ruby Ridge. He was talking about a Justice Conner andit sounded as if he was admitting he was CIA. A mistake.Check out his article.I left him an Email asking him about the relationship to Czar Grabbe's.Bruce Adamson
