Subject: Hillary Clinton's dress designer is tied to JFK's assassination
To Whom It May Concern:Oscar Del la Venti [sic] is a good friend of Oleg Cassini, the dressdesigner of Jackie Kennedy and as his brother was a friend of George deMohrenschildt.Also make note that Oliver Stone's movie Evita, is being sponsored by Timemagazine and the movie like JFK was produced by Time-Warner. Interestingfor Oliver Stone and Mary Ferrell, Dallas based JFK assassinationresearcher are members of the same JFK affiliated publications and the COPAteam. When Mary Ferrell found out that I had discovered de Mohrenschildt'sfourth wife had worked with Abe Zapruder, she hung up the phone on me.Well, it is interesting to note that Zapruder had sold his film to HenryLuce's Time-Life, company which owned the film rights to Oliver Stone'smovie JFK. Well, then we find out that Willem Oltmans and Oliver Stone arefriends. It was Oliver Stone who blamed the government for JFK'sassassination and it was his actor Kevin Costner who likes George Bush whowas also friends with de Mohrenschildt. Henry Luce and Allen Dulles hadmore to do with JFK's assassination then any other persons.Bruce C. Adamson
