Subject: Re: Russian royalty

Dear Mr. Grabbe:I know that the Grabbe family is quite famous amongst the Russian Royalty.You have nothing to do with the CIA. I was reading an article underpolitics.covert or cia and it sounded like you were saying that your wereCIA or was that Conners? I just scanned it and did not get the full story.I rushed the article and am not sure what it was all about, yesterday.Your name jumped out at me, was all. After reading your web page I thoughtto myself that you couldn't be!Paul Grabbe was in charge of the Czar's business and was friends with theMohrenschildt's and related to the Mengden family. George de Mohrenschildtwas Lee Harvey Oswald's closest friend. The White Russians had more of avendetta against JFK than the Reds.I am glad to hear that you are not known to be related.Bruce C.
