To Whom It May Concern: There are several JFK forums who are sending out my chain letters to a number of people. I would like to continue, but I would like to know who I am sending messages out to. So if you want to continue please submit your email address to me at bca@got.net otherwise I will only be sending out messages only to those I know. January 24th 1997, Militant Texas separatists talk up revolution so says George W. Bush, governor of Texas. Two weeks before de Mohrenschildt's suicide on March 29, 1977, Lee Harvey Oswald's roommate Billy Joe Lord (on board the boat in 1959) filed an FBI complaint against Edward Epstein, his assistant H. Hurt for threatening to go to Lord's boss George W. Bush in Midland Texas. Hurt told Lord that if he did not give an interview he was told to talk to George W. Bush, the son of the CIA Director. Edward Jay Epstein had no idea that Billy Joe Lord would file a complaint with the FBI complaining of his apartment being broken in to nor did Lord know that Edward Jay Epstein would be the last person to interview de Mohrenschildt before he placed a shotgun in his mouth and made his final exit. Lord was threaten near the same time de Mohrenschildt and George H.W. Bush were exchanging letters in September of 1976. At the same time more than 200 CIA documents came up missing under G.H.W. Bush. The George Bush Library has refused to acknowledge my subpoena requesting documents pertaining to the CIA, and Bush's CIA Zapata Off-shore Oil corporation. The Library was supposed to have the documents before the court on January 29, 1997, in court case Adamson vs. CIA C 95-20549(RMW) before Justice Ronald Whyte, in San Jose's District Court, Documents have not arrived but George Bush has to speak with Joe Montanna.
