Subject: JFK STUFF
I have found over 100 documents and photos of the Warren Commission Report. I have a reel of 16mm film, that I think is an interview with Oswald's wife's mother, which I plan to transfer to video soon. I also have a few original newspapers and magazines (Time and Life) I'm looking for someone that would have an interest in this material. Thanks, Mason R. Wallis P.O. Box 103 Aledo, TX. 76008 INZER@msn.com
