**Subject:** JFK Review Board has been a misrepresentation, fraud for the man who signed into law was friends with the closest friend of Lee Harvey Oswald (George de Mohrenschildt), both being CIA agents since the early 1950s. from ciajr.com--research copyrighted by Bruce Campbell Adamson. Bill Clinton's great admiration for former President John F. Kennedy is avain attempt to cover up the truth. On January 25th 1997, President BillClinton was paling around with two of George de Mohrenschildt's goodfriends. Early in the day he had a visit from former President GeorgeBush. Bush has written this author that he had known de Mohrenschildtsince 1942.Clinton announced that he was to hold a summit with George Bush in April of1997. Later in the day Clinton went to Prescott Bush's old stompppinggrounds at the Alfalfa Club, which met at the Capitol Hilton Hotel. Onecould have seen Bill Clinton mingling around with Richard Nixon's Secretaryof State, Henry Kissinger. Few today know that Henry Kissinger who isaccording to Dr. Leonard Horowitz the founder of the AIDS virus was also aclose family friend of George de Mohrenschildt and one can read about it involume IV of Oswald's Closest Friend; The George de Mohrenschildt Story.Under Richard Nixon's administration between 1971-73 not only did EarleCabell, Douglas MacArthur II, George H.W. Bush, Senator John Tower, (whomhad corresponded with Lee Harvey Oswald), represent Oswald's good friendGeorge de Mohrenschildt but also Henry Kissinger.At the Alfalfa Club Bill Clinton was also seen with Steven Forbes who ranthe CIA program Radio Free Europe and Radio Liberty which organization hadties to George de Mohrenschildt.Senator J. Rockefeller was there too, it was Nelson Rockefeller who hademployed de Mohrenschildt during WWII.If one had stayed long enough they could have asked LBJ's closestassistant, Jack Valenti (who was also visiting with Clinton) whyVice-President LBJ had met with George de Mohrenschildt on April 26th,1963,seven months before the assassination of John F. Kennedy.While Bill Clinton was having a ball on the east coast, former CIA Directorand President George Bush was leaving the Clinton White House to play golfwith Kevin Costner, (aka Jim Garrison) at the ATT Pebble Beach Open.President Bush's pal, Arnold Palmer national spokesman for Hugh Liedtke'sPennzoil. For the those not old enough to recall Liedtke was George Bush'sCIA partner in Zapata Off Shore Oil during the 1950s. Do you remember theAlamo? Do you remember the Bay of Pigs? The CIA-code name was OperationZapata and was George Bush's baby, and when JFK failed to supply propersupport this greatly upsetted George Bush and his father Prescott. WhenJFK fired Allen Dulles this sent Prescott Bush and his son George "Poppy"Bush into a frenzy. Three weeks ago Kevin Costner, (aka. Jim Garrison)said that George Bush was a great guy on The Jay Leon Show. Well thisauthor sent FBI, CIA documents to Mr. Costner showing that George Bush madehis notorious call to the FBI office in Houston on Nov. 22, 1963; J.E.Hoover briefed George Bush of the CIA on Nov. 23, 1963 about the JFKassassination; George Bush admitting he knew Oswald's good friend George deMohrenschildt since 1942 and failling to make disclosure in 1975 when hewas
