**Subject:** January HSCA Review Track Documents

I reviewed the January HSCA Review Track documents and only one stands out as particularly interesting - - an HSCA call report of a conversation with Richard Dennis Call, who served in the Marine Corps with Oswald in California and claims to have been his immediate supervisor. As you are aware from our trip to NARA II, there are too many Consent Releases for me to go back and review each one. I will try to pay closer attention as I go through them the first time next month.
