FROM ciajfk.comTo All Concern Parties:Last night Bill Clinton's focus was on education. If one will reflect backit was Bill Clinton who said we must accept the verdict in the O.J. Simpsoncase. Many feel it was Clinton's CIA who was behind the media attention ofthe O.J. Simpson case. It distracted the attention away from the CIA'srole into JFK's assassination and sending drugs into the slums to keep theblacks down.I have information which ties George de Mohrenschildt to the Dr. MartinLuther King, RFK and JFK killings. I have focused more on the latter one.But why has President Clinton spent 2 million a year on the JFKAssassination when the Executive Board Director of the JFK Review Board Acthad represented President Reagan and vice-president George Bush in Germany.The Review Board has refused to look at why President George H.W. Bushsigned into law the JFK Review Board Act without disclosing he knew LeeHarvey Oswald's closest friend since 1942. He also failed to make thisdisclosure when elected CIA Director.As a former Ffederal employee I am entitled to blow the whistle on fraudand waste when there is corruption involved. I don't have to be a memberof the JFK Review Board to expose this fraud. Or Bill Clinton'sintentional cover-up of President George Bush's ties to George deMohrenschildt. Eventually someone will be forced to face the music.Respectfully,Bruce Campbell
