FROM CIAJK.COM Dear Ed, I forgot to mention that Carol Newitt in Florida has agreed to represent me before the JFK Review Board on the Bancroft papers and I have asked her to include the George Bush Presidential Library subpoena. I sent her my motions etc. I would rather that I had representation in my FOIA complaint. The George Bush Pres. Library has ignored all of my four subpoenas. I also spoke to former Congressman George Hansen last week who is leading a charge against the CIA. He spent time in jail for tax evasion and after ten years of harassment was cleared. He said that while in Congress he knew of the CIA's secret criminal aspect throughout the U.S.A. involving murder, mayhem, crime and drugs. He was on Dr. Stanley Monteith's show. A real straight shooter, but I may have at first rattled his cage when I brought up Bush's connection to de Mohrenschildt. Stanley who knows me and has had me as a guest was supportive. We seemed to find common ground when I said that Clinton was protecting Bush's reputation. Another interesting thing is that the wife of Gunther Russbacher is always calling in on Dr. Stan's show. Russbacher is supposedly in an Austria prison hiding from Bush. There is a lot to Clinton's Indonesia supporters since George Bush is trying to pull 90 million ounces of gold out of Indonesia. Any word on Dr. Robert Ballinger? She is a sneaky lady living in West Palm Beach. When I was in Palm Beach I contacted every news agency pointing out how she refused to talk to the FBI on George de Mohrenschildt. While they were married during the 1950s both had accounts in the CIA-bank Republic National Bank. It would be fun to get the media to question why she paid de Mohrenschildt 13,000 on the very day Attorney General RFK decided to prosecute her former husband's friend, Igor Cassini. In volume seven I will prove how Dr. Wynne Sharples (today known as Dr. Robert Ballinger) was tied to Jackie, JFK, C.B. Wrightman and Oleg and Igor Cassini. She threatened the FBI and de Mohrenschildt to use his homosexuality if he fought the divorce. Don't forget that Bush was introduced into politics in 1962 by Gene Tierney (Mrs. Howard Lee) formerly known as Mrs. Oleg Cassini. Volume VII will be the best one yet with loads of photographs 70-100. Received radio show tape from John Bryant, and I sounded pretty good considering I was recovering from flu. Still waiting for the four shows I did in November. I have been reconstructing the Paine family tree and found a photograph of George Lyman Paine, Jr. Steve Forbes is not related to Ruth Forbes Paine. The confusion may come from Ruth's relative J. Malcolm Forbes. Steve Forbes relatives are from Scotland. I have been getting a lot of UCCP notifications on my email. Also note that every week at five o'clock in the morning my cordless phone makes a slight beep without any ringing. This has been going on for the past five months. It is routinely done at five a.m. I have only had a phone since around October of 1996. That's all for now. Bruce C. Adamson ru4c@ciajfk.com
