Subject: jfk records
Ms.Sullivan,Thank you for sending me the ARRB 1996 Summary Report. Please place me onyourmailing list for notices, advisories, and other related informationpertaining to the work of the ARRB. I would strongly reccommend that theARRB continue to examine the military records related to the JFKassassination. Especially, correspondence between the joint chiefs andmilitary intelligence during Nov.1963. Please share this with JohnTunheim, chair. Does Mr.Tunheim have an e-mail address?Thank you for your help and assistance,Grant Leitma,Ph.D.Department of PsychologyColumbia Union CollegeTakoma Park, Maryland 20912gleitma@cuc.edu
