DeaR Ed:Thanks for the information on J. Walton Moore. My email messages arecausing my computer to live dangerously. I think I am going to discontinueemail for a while so that I can stay focused on the de Mohrenschildt Story.I have to get vol. VII done and ready to print. Things are going to behappening and I need to separate myself from my telephone for a while.Don't want to go into details. Will keep the email on and will be making atrip to the East Coast. Before I do I would like to get volume VII doneand out to those who have paid for it.The 3,000 word article is done and will know in a week to ten days if itwill be published. Don't want to say anything until I get approval andpaid.So when I disappear from the email scene, you'll know why. I am gettingloads of messages and it takes a lot of time to read and answer them. Evenat the Post Office I didn't have this amount of mail.I am not getting mail regarding the books.Bruce C. AdamsonP.O. Box 1103Santa Cruz, CA, 95061
