**Subject:** Draft Zapruder Film Hearing Media Advisory David: Here is a draft media advisory for your consideration. I suggest the following:1. The advisory be faxed out on Monday afternoon to media and mailing list.2. No calls be made to flag.3. Response to calls is factual, but low-key and short.Something else to consider is that if there is media interest it may be an opportunity to sketch out for an enterprising reporter the history of the film with Zapruder and Sliverberg. I do not think there would be public sympathy for their position. As Trask told me, he thinks the Zapruders should just donate the film to the federal government because they have already made enough money off of it and it is simply too important to history to do anything else with it.
