ciajfk.comTo Whom It May Concern:Received photo disks from Gary Hill, I am interested in four
photographsand Mr. Hill does not know where he obtained them : 1). The Paines; 2).General Walker; 3).
Robert Maheu; 4). H.L. Hunt. Would anyone know wherethey came from?If there is no copyright permission, I
am unable to use them. The Painesphotograph is the most important to me. I don't remember seeing photos
ofthe Paines among the Warren Commission. If authors were to use thephotographs this would give the
Paines an excellent opportunity ofretaliating with a suit.Please take notice that an international publication
has given me the O.K.for a 3,000 word article on George de Mohrenschildt. Will wait till I getcheck before
disclosing which publication it is. George Bush fell from thesky this week this summer he will fall from grace as
will LBJ and AllenDulles.I promise!Notice I may be disconnecting Email address for a couple of months. I'm on a
mission and will be very very busy. Will be back on line in the middleof summer.Adios.Bruce Campbell
