Subject: C-SPAN
Doug Johnson from C-SPAN called. Craig Brownstein was out working on something else and Johnson wanted to take our hearing information with him to the 3 o'clock meeting. I faxed to him what I sent by e-mail to Brownstein (Board mission, list of Bd. members, list of hearing witnesses.) Johnson mentioned a 12-13 page document about the hearing from someone he thought was named "Garrett" -- I told him that person was not with us and I didn't know who that was. I imagine it was "Lifton."
