Subject: stuff

Good morning and happy hearing day. There are two remaining pieces to be added to the press packet, but David wants Jeremy to look them over before they are copied -- so thanks a lot for the offer, but I'll take care of it. Also, I left some stuff for Tom on Jack's desk, where I presume he'll reside until Jack gets here. This includes the stuff you left for him in his "priority red dog" on my desk. One last thing -- I am going home now but I don't feel well. I was hit with a sudden achy, flu-ie feeling late this afternoon. This is NOT happening.....Absolute worst scenario is I'm sick. Maybe I'll wake up feeling better. I'll call if it's really bad. Thanks for everything!!
