Subject: Press Releases, topics of interest

Body: Dear Ms. Sullivan-Please e-mail me any press releases and information that the ARRB releases on a regular basis. I watched the ARRB hearing from the National Archives today on C-SPAN, and spoke with The Honorable John Tunheim when he was heard on WBZ Boston a couple of years ago. I have great interest in the ARRB's activities, and feel it is doing very important work. Thank you, Arthur Smith
