Subject: Re: Radio Interviews

Thom:I will be available really anytime on the 24th -- subject only to the ARRB meeting plans. My intent is to stay in Washington on the night of April 24 because I have an ABA meeting the following day. So, just consult with David --I am at your call.JRT_____ Reply Separator

Subject: Radio InterviewsAuthor: "Thom
Wilborn"<Thom_Wilborn@jfk-arrrb.gov> at ~8DC-ARE-SMTPDate: 4/15/97 1:31 PMLonna Saunders of WMAL Radio called today requesting that you again participate in her radio talk show on April 24. Ms. Saunders requested that you come to their studio at 4400 Jennifer St. in Washington as late in the afternoon as possible to record a segment of the program. The subject of the program would be the Review Board's action on the Zapruder film. The interview with AP Radio is also scheduled on April 24. I have not, however, received a proposed time or place for the tape recorded interview. The subject will be the Review Board activities. The AP reporter usually leaves by noon or 1 p.m. each day, so I expect he will want to schedule the interview in the morning. AP is based at 1825 K. St., NW. I would anticipate the taping would require less than one hour; probably closer to 30 minutes. Please advise me on your availability on April 24 regarding the AP interview and the WMAL taping times. Respectfully,Thom Wilborn
