4-18-97---from cjaifk.comTo Whom It May Concern:Yesterday, I received a kill notice from Larry Flynt himself that he would not publish my article "A Closer Look at Oswald's Closest Friend." I have sent him a reconsider letter.The editors Allan McDonnell and Dylan Ford were very enthusastic about the article and told me that they had published a notice in June's issue of the magazine that they were going to print the story. I had spent \$300.00 in photocopying and in express mail postage for the last month.For the time being I think I am going to suspend selling of volume VII so that I can concentrate on the editing of the volumes. I will refund the money to those who have paid for the volume.Bruce C. Adamson
