**Subject:** Larry Flynt killing article because he is changing format from political to sex.

FROM cjaifk.com To Whom It May Concern: Someone has written me that I may have been led on by Larry Flynt, because of what I said about Oliver Stone's company. Oliver Stone was just a kid when the conspiracy of JFK took place in 1963. I said that Stone's company Time-Warner got the exclusive film rights to Zapruder's film which made the movie JFK come to life. Time-Warner had merged from Luce's company Time-Life. I also said that Oliver Stone is a good friend of Willem Oltman's both being Yale graduates. Oltman's graduated with Wm. F. Buckley, Jr. Oltman's wrote to JFK ten days before the assassination, meets with RFK before his assassination and took de Mohrenschildt to the Netherlands before he committed suicide. Oltman's agreed to let me have copies of the de Mohrenschildt interviews until he learned that I was using de Mohrenschildt's affidavit where he claimed Oltman's was making homosexual passes on de Mohrenschildt. Well, if Larry Flynt was going to run an article on de Mohrenschildt and since Stone has just completed Flynt's biography, this person felt that I was led on to only fall. I disagree. Hustler publications has left the door open and even though we did not have a signed contract they have agreed to pay a kill fee and also to pick-up all of my expenses. Both editors were extremely enthusiastic about the article and will present all correspondence to Larry Flynt in support of publishing the article entitled "A Closer Look At Oswald's Closest Friend," a thorough look at George de Mohrenschildt. If you are interested in reading the article please write to : L.F.P. Inc. Attn. Allan McDonnell Dylan Ford 8484 Wilshire Blvd. Suite 900 Beverly Hills, CA, 90211 Since Larry Flynt offered a \$1,000,000 reward "for information which makes it possible for the truth to come out." I was sure that he would be the first to publish the story. In the mean time I will submit the finished article to other publications and hope that Mr. Flynt will change his mind. Sincerely, Bruce Campbell Adamson ru4@cjaifk.com
