Subject: Zapruder's failure to make disclosure
from ciajfk.comTo WHom It May Concern:Someone should tell the Review Board that Bruce Campbell
Adamson feels thathe may have enough evidence to prove that the Zapruder filming was stagedshooting just
like the JFK assassination. If so they don't have to pay theZapruder family a cent,instead the can purchase my
research for a hell of alot cheaper.Jux-a-positionYours truly,Bruce Campbell Adamson
