**Subject:** Tom  
When Tom Samoluk calls here to talk to us we should call him back on our line whenever possible. Tom uses the calling card to call and if we originate the call here it goes out over one of our long distance carriers--most of which we don't get charged. Tom and I have been trying to remember to do this, but if you guys could do it also it would probably save some money in the long run. Thanks.
