**Subject:** Richard Barnes Deed of Gift

Laura:I have spoken with Richard Barnes regarding the draft Deed of Gift for his donation of Associated Press wire copy. He requested that we make the following changes:1. Under paragraph 1, in the description of the donated materials, please strike from "to November 25" and replace it with "through November 26."2. Barnes would like a provision in the Deed of Gift that states that the Board makes no claim of control over the original wire copy that Barnes still possesses. As you may recall, he is donating a copy to the JFK Collection. He suggested something like the following language, but defers to us on the specifics: The JFK Assassination Records Review Board acknowledges that the Donor retains possession and the rights to the original of the donated materials and asserts no control over the disposition of said materials. After you have incorporated the requested changes, please e-mail me and attach the redrafted Deed of Gift. I will run it by Barnes and see if it is satisfactory to him. As always, thanks for your help. Please advise me if you need additional information. Tom  
P.S. Any word from the Archives on the Priscilla McMillan Deed of Gift matter? Thanks.
