Subject: FYI

Body: 1. Thanks for the recap of the Jennifer Rouse communications.2. Someone from Burton's office, it does not say 'who' anywhere, sent you a copy of the Congressional Record from May 8, 1997. Perhaps it was Jeff Schaffner sending an original of what he faxed on Friday. We have this already and I faxed it to you. I will put it in Burton's file, as well as in the Congressional Record file.3. I am trying (so far unsuccessfully) to fax to you a clean copy of Max Holland's article. If I can't get it through tonight, I'll try again tomorrow morning. See ya.
