Subject: ABC--Gerstein

Body: I sent by FedEx an information packet and FY 1996 report to Gerstein. He'll get it Monday. Per David, I called Gerstein to give him a heads-up. I left a voicemail message stating that we are available to him for whatever he needs, David and Jack available for interviews, etc.He called me back and seemed glad to receive this information from us and will let us know if he needs anything else. However, he did say something like, "honestly, I am fishing for this story, and if I do it, it will be about the teacher and the students."
