Subject: Feinsilber on Shaw
E- 1. I spoke to Feinsilber. He asked me more about the importance of the documents, volume, etc. When we got to the donor, I started to give him the long version ("no deed of gift, papers not processed, not available to public yet, donor history of being a private person..."), he politely interrupted and asked, "Can I just say you're not revealing the name at the request of the donor?" At that point, I just said, "Yes." I figured if the donor has a problem with that characterization, I'll just say that is what I understood he wanted. With future calls, if the question is asked you too can say "at the request of the donor." If anybody else asks for more detail or background on the acquisition, let me know..2. Can you check with Rene' at the video service to see if she picks up a TV hit? There can only be one, since there was only one camera there.3. Another possibility is asking Bob Clark if the camera was ABC's.Thanks.T
