Subject: Thankyou, and................

Body: Dear Ms. Sullivan: Thank you for taking the time to send me the letterfrom Clay Shaw's diary. Also I was wondering if anyone has made a index of what all thedocuments are. For example on page 12 of the ARRB FY 96 report, thefourth paragraph goes into the release of four documents about secretservice protection. On page 63 HSCA 180-10094-10492 could be it, but how would one goabout telling one from another.Thanks againTom Wurm
