Subject: Happy Hour

As previously alluded to, there is a happy hour in the works featuring our special guest star, Tim Wray. The date will be this Friday, June 27, after work, at a place to be named later. If you want to go, let me know. I'd guess it'll be like at about 5 or 5:30, either at Firday's or maybe somewhere in Crystal City closer to where the Timinator works. Details to follow.P.S. As there are a few people in this office who never really warmed up to Tim and vice versa, I have limited the distribution of this memo. Please amke a note of it and observe all appropriate security precautions. In other words, keep this to yourself, don't go shooting your mouth off about the fact that we're all going out.
