Subject: Zapruder film data
Dear Ms. Sullivan: I know that the Board has spent time focusing on issues relating to the Zapruder film. Are they aware that Zapruder's partner, Erwin Schwartz, is still living and has talked some with researchers? Although he became upset and stopped talking after seeing something in print that he didn't like, it is likely he would be open to an approach from the ARRB, and likely has a substantial amount of very relevant information, based on what he has said already. Martin
