**Subject:** Thanks  
Thank you all so much for the great cake, coffee, and gift today. I really appreciate your good wishes. For the next two weeks, I will be in K.C. PLEASE feel free to call me there with any questions you have -- I have a feeling that I will be happy to have something else besides the wedding planning to talk about. We leave for Greece on July 14, so it will be somewhat more difficult to reach me after that day, but if it is a dire emergency, call my mom and she will have phone numbers. Number in K.C. -- (913) 432-1012. I hope everyone has a great month-of-July. See you August 4. Thanks again for the happy thoughts!
