PRESIDENT CLINTON SIGNS LAW EXTENDING JFK ASSASSINATION RECORDS REVIEW BOARD FOR ONE ADDITIONAL YEAR  
President Clinton has signed a bill extending the Assassination Records Review Board for one additional year. The Review Board is the independent federal agency overseeing the identification, review, and release of records related to the assassination of President John F. Kennedy. The bill, H.R. 1553, was signed into law by the President on July 3, 1997. It amends the President John F. Kennedy Assassination Records Collection Act of 1992 to extend the authorization of the Assassination Records Review Board until September 30, 1998, and authorizes \$1.6 million for the Board to complete its work. The bill was introduced by House Government Reform and Oversight Committee Chairman Dan Burton (R-IN) and cosponsored by Congressmen Henry Waxman (D-CA) and Louis Stokes (D-OH). Senator Arlen Specter (R-PA) had introduced a companion bill, S. 844, in the Senate. The members of the Review Board are pleased to have this additional time to complete our work. We will be able to complete the review and release of thousands of critical FBI and CIA records, submit a comprehensive final report to the Congress and the President, and make available to the American public as much information as possible on the assassination of President John F. Kennedy, said
