Subject: Your Letter of June 20, 1997
Dear Mr. Banks: Thank you for your letter of June 20 and for drawing our attention to the still-restricted documents in HSCA 001763. Although our count of withdrawn records is 14 (rather than 20), we do appreciate your drawing our attention to these records. It is our understanding that the failure to release the records before was an administrative oversight that occurred several years ago. An ARRB staff member has collected the records and I have myself taken a quick review of them and I anticipate that they will all be released without postponements. Based upon your letter and interest, we are now placing the records on a fast track for review. Best wishes, Jeremy Gunn
