**Subject:** Z Film History

Dear Eileen: This message is for Jeremy Gunn. I am merely acting as a courier on this one--do what is best for the ARRB! It has been suggested (by someone else) that if more information is needed on Robert Groden's role in the history of this film, then the person to speak to is his wife Christine, who is apparently still lives in (or near) Boothwyn, PA. My source believes that she is now willing to tell what she knows. (I hope you can interpret this!) I will send you a copy of my Z film chapter within several weeks; it's undergoing final editing--and it's a LONG chapter, with lots of (new) data. Many thanks for your interest. David Mantik
