Subject: NSA originals
Regarding the delivery of original NSA documents (83 in number).Martha Murphy returned my call and stated that we need to have an SCI-cleared individual double-wrap and hand carry the originals to Archives. All of the people in their office are SCI cleared. We should make sure that we get them to sign a receipt for the materials. If no one has any objections, I can carry this stuff up to the Archives (probably Friday), or I can ask Christina if she can do it earlier in the week.Thanks.
