30- Eileen,I appreciate getting the press release. I hope you will fill us in later on the contents of the  
documents. I got more details from the NPR news snippet, namely that Castro put Cuba on full alert after the  
JFK assassination and was afraid of an invasion. Do you have anymore details? Will more be coming out later  
from you? Why are some documents postponed? Inquiring minds are...Best regards,Dan Burnstein
