**Subject:** Jeff Morley request  
Jeff called and I gave him the information you provided to me. He would be interested in knowing what changes (if any) were made in the documents that were reconsidered by the Board at the July meeting. He also will be calling me about this in the morning on Wednesday. I told him I would make a copy of the one document that we think is here (180-10142-10092.) I know you are terribly busy and I hope this is not too much of a burden.
