**Subject:** News Announcement

We have just received word from the Department of Justice that Janet Reno signed an authorization on Friday for our subpoena-enforcement action in the Nancy Sheridan matter. The papers are scheduled to be filed tomorrow in Federal Court in D.C. Although NBC is not, at this point, a party to the action, it will be sent a courtesy copy. We expect that NBC will seek to intervene shortly. As always with such matters, this is for our internal information purposes only and should not, at this point, be discussed outside of the office. Please let me know if you have any questions.
