[Something like: "The Review Board's September meeting resulted in the release of FBI documents from the FBI's "HSCA subject" files."] Most of the HSCA subjects contain records that shed at least some light on issues that the HSCA explored as potentially relevant to the assassination of President Kennedy. The September meeting marked the Review Board's first major release of records from the HSCA subject files, and it voted on documents from HSCA subjects such as: J.U.R.E., Francis Martello, Orlando Bosch Avila, Carlos Marcello, and Bernardo G. DeTorres Alvarez.
