Subject: Movies
We are thinking of bringing the lunch movie group back from the dead with a lunchtime showing of "Apocalypse Now" early next week. More details will come as we check the availability of the Board Room. The ground rules will be: - Movies will start at 1210 and end promptly at 1300. - Viewers are responsible for cleaning up the tables in the Board room.- Volume on the television sets should be set so that our neighbors from DoJ are not disturbed.
