**Subject:** Forwarded Message from Bill Joyce  
Jeremy: Thanks for your good message concerning the compliment paid thestaff by Carol Keeley of the FBI.  
That's splendid news, and I'm esp. gladthat you passed it on to the staff as you did. The execution by the  
staffof the work of the Board has been very high indeed, and it's nice thatrecognition of that good work is now  
coming from those with whom we havebeen working. There's no higher compliment than from those with  
whom youtoil in the vineyard-- and inspire to redouble their efforts in the process! Congratulations to all!! --
